

Surrey Rugby host the 3rd Southern Counties U19 Sevens

Gents

The Southern Counties U19 Sevens inaugural Tournament in 2007 at Dorking RFC was won by Kent with the following year's tournament in 2008 being won by the hosts, Surrey - details of the events can be seen on www.drfdcurreyfestival.co.uk.

The National (Wheatsheaf) U19 Sevens Tournament at Cheltenham RFC was won by Gloucestershire for the 2nd year running. Gloucestershire, will therefore be hosting the 2009 National event on Sunday 3rd May at Cheltenham.

As a precursor to the National sevens for County's U19 sides, Surrey Rugby will again host, for the third year, the Southern Counties U19 Sevens Tournament at Dorking RFC -details of the entries and tournament will be posted on www.surreyrugby.com & www.drfdcurreyfestival.co.uk.

Please note that this competition is not restricted to Counties in the South - we are looking for any counties who would like a warm up tournament to the Nationals.

Therefore we propose that on Sunday 26th April 2009 we have another Southern Counties U19 Sevens competition and are pleased to host it at Dorking Rugby Club which is 10mins from the South-western section of the M25.

At this stage I am asking on behalf of the organisers, to what extent your county would be interested in participating and sending a County U19 7's squad to compete (and possibly if there was sufficient space, in some cases, two squads) in this tournament. I have attached an entry form if you wish to enter straight away. In the case of oversubscription it will be on a first come first served basis

I would very much appreciate if you could let me know

- your initial interest,
- if positive the possible number of teams (subject space)
- your full correct and up to date contact details

and if you are not the right person the contact details of the person to whom we should be sending this.

And finally if you have any contacts for whom you feel this may be appropriate please feel free to forward it on.

Yours

David Judd
